COUNTY SURVEYORS CERTIFICATE

This map has been examined for conformance with the requirements of Chapter 15 of Division 3 of the Business and Professions Code this 28th day of October, 1958.

L.L. McMin
L.L. McMin - L.S. 2902

The meridian of this survey is referred to the true meridian as established by average magnetic observations using 17° East declination.

NOTE: As the descriptions which conveyed title to the parcels of land shown hereon are vague and inaccurate and there is a lack of sufficient evidence to accurately establish the original lot and block corners, I recommend that a "Quiet Title Action" be filed or that "Boundary Line Agreements" be entered into with all adjacent property owners to legally establish the boundaries as delineated and monumented upon this survey.
