

DEPARTMENT OF CHEMICAL ENGINEERING CIIT LAHORE

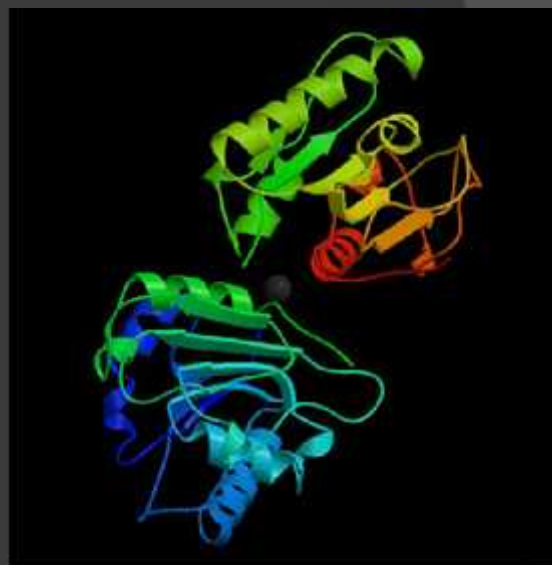

By Sadakat <http://chm100.blogspot.com/>

The Chemical Engineering department was on track in Fall 2005 at the CIIT Lahore campus with the vision of making herself a paradise for Chemical Engineers. The first batch of Chemical Engineering has graduated in Spring 2009 engraving the history simultaneously. The Department of Chemical Engineering is aiming global employability of its graduates.

Degrees offered :
BS Chemical engineering
MS Chemical engineering

Chemical Engineering is both an art and a science. Chemical Engineers are concerned with the application of knowledge gained from basic sciences and practical experience in the development, design, operation and management of plants and processes for economical and safe conversion of raw materials to useful products.
