With multiple facets to its credit, Japan is one of the most wonderful places to go on holidays. Whether you are looking to delve deep in the past, explore the scenic beauties or have a keen sense to know exemplary fashion trends, Japan has everything to attract you. The unique culture and tradition of Japan is something that is famous worldwide and a large number of tourists flock to the country because of that only.

Besides everything, Japan provides you the opportunity to bring back home some of the best souvenirs and merchandises. With a

host of stores selling everything from latest electronic gadgets to yummy local foods and traditional souvenirs, Japan is a paradise for shopaholics. There are many high-end domestic and international fashion labels with a vast collection of trendy as well as traditional Japanese clothes and accessories.

The bustling metropolises of Tokyo and Osaka house many shopping districts, each has their own speciality. The best thing about these shopping places is that they are usually around the major train station and well-connected to the transportation system. You have a host of [best places for shopping in Japan](#) with a variety of options for shoppers.

KITTE: No a long ago, the Old Tokyo Central Post Office was refurbished and open to the public with a new name. The 7-storied building, KITTE has been re-launched with the concept of introducing highly skilled products from all over Japan. It has

become a huge favourite amongst the visitors and vicinity to the Tokyo station is only making it comfortable to commute.

There are several restaurants and food courts on the 5th and 6th floor of this building. Besides, KITTE houses lots of stores with a vast range of products to buy from. The Nakagawa Masashichi Shouten boasts of a huge collection of timeless kitchen ware intact with traditional value and skill. Likewise, there are many other stores to buy trendy clothes and beautiful souvenirs.

Okinawa: If you want to discover the seaside life of Japan, Okinawa is the place to go. Besides munching on different delicious sea foods, you have ample opportunities to shop around the island. There is a vintage store between Heiwa Street and Mutsumi Street that sell cool and classic T-shirts and bric-a-

brac. Besides, you can buy several sea foods from the local market here.

Tokyo Sky Tree: Recently launched Tokyo Sky Tree houses several stores to buy trendy and traditional clothes and accessories.

Japan has several other places to shop around, each of them well-connected with different transportation facilities. Roaming around and shopping at these places is a complete fun.
